Synopsis

"Blood and Glitter" is a comprehensive retrospective of the glam rock era and has received great critical acclaim. The photographs were shown at Tokyo's Metropolitan Museum of Photography in 2003 and hailed as "one of the most exciting exhibitions of pop culture imagery to ever reach these shores". With his images, Mick Rock created icons of musical history. This illustrated volume shows his photographs in an oversize format for the first time. This luxurious volume comes at a size of 27 x 37 cm / 10.5 x 14.5", in a beautiful and decorative slipcase, printed on premium 200 gram glossy paper using FM raster scan printing. As a bonus, a stunning complimentary poster has been added.
