Delightfully interactive, this book encourages small children to touch the textured paw prints on each page and then pull down the flap to see the animal to which they belong. A shiny mirror on the final page helps them determine the owner of the final set of prints."Maravillosamente interactivo, este libro anima a los pequeños a tocar las huellas texturizadas en cada página y entonces abrir la solapa para ver el animal al cual corresponden. Un espejo en la última página les ayudará determinar el dueño del último par de huellas."
