### Kurzbeschreibung

Auf der Suche nach der Seele Afrikas haben die Autoren den gesamten Kontinent bereist, die Wüsten, Städte und Dörfer, den Dschungel und die Nationalparks, Berge, Inseln und Seen, immer mit dem Ziel vor Augen, die Wohn- und Lebensumstände zu beschreiben und illustrieren, Umstände, die sich eigentlich jeder Beschreibung entziehen. Das Ergebnis dieser Suche hinterlässt den Leser und Betrachter dieses Buches sprachlos ob der Vielfalt von Eindrücken. Wir erleben grossartige moderne Häuser eingebettet in Lehmhütten-Siedlungen, trendige Künstlerstudios, elegante Lodges, minimalistische Häuser, kunstvoll gestaltete traditionelle Behausungen, Townships mit all ihrer Tristesse und noch viel mehr. Diese, so verschiedenen Lebensräume haben einen gemeinsamen Nenner – die spürbar liebevolle Bauweise und Ausstattung mit Sensibilität, Sinnlichkeit, Kreativität und handwerklichem Können. Inside Africa fängt auf beeindruckende Weise die Schönheit und Vielfalt des afrikanischen Lebens zwischen Tunis und Kapstadt ein. Synopsis

We've searched far and wide, through Africa's deserts and jungles, cities and wildlife reserves, islands and mountains, to uncover the continent's most inspirational dwellings; our goal was to find the kind of interiors that defy description, and we think the results will definitely leave you speechless. Nestled within these pages you'll find lush modern homes mingling with mud huts, funky artists' studios, elegant lodges, minimalist houses, ornate traditional homes, townships and much more - all lovingly built and decorated with sensitivity, creativity, craftsmanship, individuality, and sensuality. "Inside Africa" captures the beauty and diversity of African living. It is beautifully bound with an African tribal motif cloth cover. Its highlights include: Italian sisters Carla and Franka Sozzani's fairy-tale palace in the Medina of Marrakech; shoe designer Christian Louboutin's modest-yet-elegant Cairo home; a lodge in Tanzania whose interior columns are formed by the trees around which it was built; multi-level terracotta Troglodyte dwellings in Tunisia; and, the opulent mosaics, breathtaking courtyards and rooftop lounges in Marrakech. The countries featured include: Botswana, Egypt, Kenya, Mauritius, Morocco, Reunion, Seychelles, Tanzania, and Tunisia. Über den Autor und weitere Mitwirkende
