Neil Young

Special Deluxe: Mi Vida Al Volante Neil Young

Neil Young has fashioned a second work of extraordinary reminiscences about his Canadian boyhood, his musical influences, his family, the rock n roll life, and one of his deepest, most ebullient passions: cars. Through the framework of the many vehicles he s collected and driven, Young explores his love for the well-crafted vintage automobile, and examines his newfound awareness of his hobby s negative environmental impact. *Special Deluxe* captures Young s singular lyrical, almost musical, voice. Witty, eclectic, and wonderfully candid, *Special Deluxe* is an unforgettable amalgam of memories, artwork, and political ponderings from one of the most genuine and enigmatic artists of our time.
